Indicate which privileges you wish to apply for: Late Entry Lunch Release Early Release

Please read carefully, keeping your senior privileges depends on it!

As an applicant for senior privileges, I acknowledge that lunch release, late entry and early release are privileges which can be revoked if I fail to comply with expectations or if I am not a student in good academic standing at the end of each marking period. In submitting my application for senior privileges, I agree that I will:

- Be a senior in good standing without any outstanding obligations such as but not limited to: discipline, academics, athletics, medical release form at the health office and food services.
- Report to Advisory for the first six (6) days of school during L1/L2 period for attendance purposes.
- Carry my senior privileges card and produce it for staff when requested.
- For attendance purposes, I will sign in and out of school at the Main Office any time entering or exiting the building.
- if returning to school more than 5 minutes early, the senior will remain in the foyer by the main office until the bell rings to change classes.
- Arrive at school and/or to class on time each day and agree not to be late more than three (3) times per semester. This includes on time from lunch release.
- Leave school only during approved release times during the school day.
- Leave campus during my scheduled release time periods or report to the library when not utilizing privileges. **There will be no SENIOR LOUNGE** for the beginning of the school year.
- Have a parent/guardian notify the Attendance Clerk (hsattendance@tburg.k12.ny.k12) immediately if the student is unable to return to campus after lunch release due to illness or other legal reasons.
- Report to the library, originally assigned study halls or advisory when choosing not to use any release privileges.
- Leave campus immediately once signing out for early dismissal.
- When not in good academic standing, will be assigned to a study hall until returning to good standing.

Any flagrant or repeat offenses may result in permanent loss of senior privileges. Any Violation of the above regulations or the Charles O. Dickerson High School Code of Conduct will result in the following:

1st Offense: Possible loss of senior privileges for a minimum of two (2) weeks.

2nd Offense: Possible loss of senior privileges for a minimum of three (3) weeks and one after school detention.

3rd Offense: Possible loss of senior privileges for one marking period (6 weeks) and 3 after school detentions.

.....
We have read this completed application, including the regulations, and agree to abide by all such rules. We also understand that if senior privileges are granted, abuse of the senior privileges WILL result in revocation of all senior privileges.

We acknowledge that a parent may withdraw support of senior privileges at any time by contacting the Dean of Students at 607-387-7551 x3492.

We understand that senior privileges will NOT take effect until this form has been completed, signed by all parties and submitted to the Dean of Students Office. Students may begin using senior privileges once a schedule change has been made and a senior privilege card has been issued.
