

Hello Trumansburg! My name is Adam Bauchner and I am very excited to join the first grade team! I have been a teacher since 2000, and also served several years as an administrator. I've taught most elementary grades, as well as English as a New Language, and most recently was in first grade in Lansing. I've got degrees from Tufts University, Humboldt State University, and Binghamton University and would probably still be in school if my wife would allow it. I helped raise three amazing daughters here in Ithaca, and now spend too much time with my hands on a guitar or my handlebars or a softball bat or a book.
