

Hello! My name is Ashley Richtmyer. I am very excited to join the Trumansburg team as a Pre-kindergarten Teacher. I grew up in Watkins Glen and still live there with my husband. I received my undergrad in Childhood Education from Elmira College and continued there for my Master's in Education. I have worked at Schuyler Head Start for the past 3 years as a UPK Teacher.

In my free time I enjoy spending time with my family and friends. I also enjoy bowling for fun and competition.
