

My name is Christopher Miller and I am excited to be joining Trumansburg Elementary School as a 4th Grade Teacher. My son, Ian, in this picture with me, is 24 years old and graduated from Wells College in Aurora NY. He now lives in Santa Rosa CA.

I live in Auburn, NY and I taught at Casey Park Elementary School for 13 years in grades 2, 3, 4, and 6. I recently returned from teaching 4th Grade in Prince William County, Virginia.

When I am not in school, I enjoy riding my bike, playing disc golf, camping, fishing and hiking. Some of my favorite places are the Adirondack Mountains and Taughannock Falls.

I am looking forward to a great school year.
