

Hello,

My name is Geordie Geller and I am so excited to be joining the Trumansburg community as the new elementary school counselor.

I recently moved to Ithaca from the Berkshires, located in Western Massachusetts. After earning my Bachelor's degree in Communications from Quinnipiac University, I went on to earn my Master's degree in School Counseling from Sage Graduate School. I have previous experience working with children in both school and community-based settings.

During my free time, I enjoy being outdoors. I am an avid runner, hiker, and snowboarder.

I look forward to working with you and your children throughout the school year!
