

Hello! My name is Hannah Haskell, and I am so excited to be joining the Trumansburg community as a third grade teacher!

I am originally from Elmira, New York and have lived in the Ithaca area for about 6 years while earning my Bachelors degree in Speech-Language Pathology, and then recently graduating with my Masters degree in Childhood Education. I am thrilled to now begin my teaching journey here at Trumansburg Elementary School.

Outside of school, I love getting to spend time with my family, and traveling to see friends. I also love playing soccer, hiking at the local parks, as well as reading and cooking.

I'm looking forward to a great year!
