

Hello everyone! I cannot wait to start my journey teaching kindergarten at Trumansburg CSD. Most recently, I worked as a reading specialist for third through sixth grade for Elmira CSD. Before that, I was a substitute teacher on Long Island where I worked closely with kindergarten.

I earned a BS in Childhood Education from SUNY Oneonta and completed a Master's in Literacy at Long Island University. Despite growing up and working on Long Island, attending SUNY Oneonta as an undergraduate inspired me to move upstate.

Some of my hobbies include hiking, snowboarding, crafting, and reading. I am working hard towards improving my ability to cook, ski, and golf.
