

Hello! My name is Kaitlyn Olsen. I am very excited to be starting my new journey with Trumansburg Central Schools as a Third Grade Teacher.

I am originally from Binghamton, NY, and now live in the Virgil area. I earned my Bachelor's degree in Early Childhood and Childhood Education from SUNY Cortland. I continued my education at Binghamton University and earned a Master's degree in Literacy. I remained at Binghamton University to participate in the TESOL program learning about how to effectively teach English Language Learners (ELL). I then taught fourth grade at Norwich City Schools for three years.

Outside of school I enjoy being active with friends. I love to hike the various trails around New York State, especially in the Adirondacks.
