

I'm Liz Corbett, and I am pleased to join the Trumansburg family as a library media specialist! I grew up in Odessa, NY and live in Ithaca with my husband, Sam, 13 year old Lily, 11 year old Katie, and our 6 month old aussie/lab Poppy. I love to spend time outside, especially walking or hiking with a good audiobook or podcast! I have an undergraduate degree in anthropology from SUNY Binghamton and a masters in school librarianship from the University at Buffalo. I have been working in the Ithaca City School District for the past 4 years, first as a one-to-one teaching assistant, and then as a library clerk. I am so excited to join Trumansburg Elementary and share a love of reading and the importance of digital and literacy skills with our students.
