

Hello! My name is Nicole Hubbell and I am excited to be joining the First Grade team this year! I was raised in Trumansburg and graduated from school here! I am grateful for the opportunity to give back to the school and community that I know and love!

After high school, I attended St. John Fisher college where I studied Childhood and Special Education. After graduating, I began my career as a 5th grade teacher! During this time, I attended SUNY Cortland where I received my Master's Degree in Literacy. Over the past ten years, I have had the pleasure of teaching students in 5th grade, 1st grade, and Kindergarten!

When I am not teaching, I enjoy making memories with my family, staying active, and being outside!

I am looking forward to great year!
